If you book within 4 weeks of the departure date you must pay the full amount at the time of booking.

Any Travel Agent requesting that you pay balances earlier than these dates will hold that money as your agent (not as the agent of Ebdons Tours) until such time as payment is deemed due by us as per these conditions.

2. If You are changing Your Booking. If, after our confirmation has been issued, you wish to change to another of our holidays or change departure date we will do our utmost to make the changes, provided that written notification is received at our offices from the person who signed the Booking Form, or their Travel Agent, not later than the date on which the balance of the original holiday cost was due for payment. 10. Baggage and Personal Luggage. All baggage and personal belongings are carried at owner's risk and the Company will not accept any responsibility for loss or damage except where such loss or damage is caused by the proven negligence of the Company's employees. May we draw your attention to the fact that soft suitcases are more susceptible to damage without any negligence on the part of our staff. Each passenger shall be allowed one suitcase and one small overnight bag per person is also recommended for holidays with overnight stops.

11. Seat Allocation and Specification. Requests for particular seats can be made on most holidays when booking, but since allocations are made on a first come first served basis, early booking is advisable.

12. Smoking. For the comfort of all our passengers we continue with our no smoking policy on all our holiday coaches. Tours are planned to include ample courtesy stops en route and, therefore, smokers need not be unduly inconvenienced.

13. Special Care for the Disabled. The holidays in this brochure have been carefully planned to include as much of interest as possible. Inevitably some of the holidays include lengthy periods of travel and some walking on sightseeing excursions. Additionally, many of the hotels will have steps to contend with and may not possess lifts, and although we will try our best to look after disabled passengers, it is important that you enter the word DISABLED in block capitals on the booking form, together with a brief description of your disability. We will make every endeavour to minimise the discomfort and inconvenience but for obvious reasons are unable to make any guarantees.

14. Rooms. Rooms are specified at the time of booking and a confirmation is issued showing the type of room which has been reserved i.e. Double, Twin, Single or room for three.

15. Special Requests. If you have any special requests these should be notified on the Booking Form at the time of booking, and we will endeavour to forward these but regret that such special requests cannot be guaranteed.

16. Special Diets. You may have special needs as regard to diet. If so please make sure that you include them in the panel provided on the booking form and that they appear on the confirmation of booking.

17. This brochure supersedes any previous edition and any pick up times are issued as a guide.

In line with E.U. Legislation, all holidays booked with us are protected by Financial Failure Insurance. This is in accordance with **The Package Travel, Package Holidays and Package Tours Regulations 1992.**
